To A.S.

This file deals with nomination of members to the Committee for investigating the causes of decrease in cropped area and increase in fallow lands. The Government of India have asked us to recommend one name for the membership of the Committee being constituted by them. After careful consideration, this Government have intimated to the Government of India, their recommendation to nominate one of the two gentlemen as a member of the Committee to ~~request~~ represent the Southern region:--

(i) Sri O.P. Ramaswami Reddiar
(ii) Sri S.V. Ramamurthi

The Government of India have not yet replied, informing us of their choice between the two names. The C.F.P. now recommends that Sri B. Ramachandra Reddi of Buchireddipalayam may be nominated to the Committee. In view of the recommendation already made by this Government at p.25 c.f. no action is perhaps called for on this suggestion of the C.F.P. who may be informed accordingly. The case may be circulated to H.M. (Agri.) for orders on 'M' above.

A may be approved. A

Wait for a reply from the G. of I

We may inform the Government of India that if none of the two gentlemen already suggested is willing to serve on the Committee, the name of Sri B. Ramachandra Reddi, President, Madras Chamber of ~~Cm~~ Agriculture may be considered

With reference to the orders at the bottom of p.9 above, it seems desirable to remind the Govt. of India for a reply to our letter on p.25 c.f. and also consult the gentlemen proposed about their willingness to serve on the Committee. Subject to orders, a draft letter to India and a draft letter to Sri O.P. Ramaswami Reddiar and Sri S.V. Ramamurthy are submitted below for approval.

M I expect Government of India would be consulting these Gentlemen. L.O. till 10-9-1949.

To A/S.

With reference to this Government's telegram on p.20 c/f. the Government of India's letter on p. 39 c.f. may be perused. The Government of India have forwarded ten spare copies of the proceedings of the conference of Provincial and State Ministers' held in New Delhi on 30th April and 1st May 1949. The telegram at p.20 c.f. has been issued only for obtaining spare copies of the Proceedings as the one available has been sent to the Board of Revenue (F.P.). The main file dealing with a copy of these Proceedings is now in circulation to H.M.(Food) and H.M. (Agri.) from 29-7-1949. There is therefore no action on Secretary's orders at X on p.39 c.f.

With reference to orders at 'M' above, a draft letter to India is submitted below for approval.
